

**REMARKS**

Very thanks for Examination's suggestion. Responsive to the objections and rejections made of the Examiner in office action. We have amended the specification. All the errors disclosed in that office action has been corrected according to the Examiner's indications disclosed in the official action.

If there still is any errors, applicant requests and authorizes Examiner to amend the claims of the present invention so that the claim can match the requirement of U. S. Patent. Attentions of Examiner to this matter is greatly appreciated.

Since the claims of the present invention is allowed in condition, we have amended the claims based on the suggestion of the Examiner, it is now believed that the subject Patent Application has been placed in condition for allowance, and such action is respectively requested.

Respectfully submitted.
